

ABOUT US

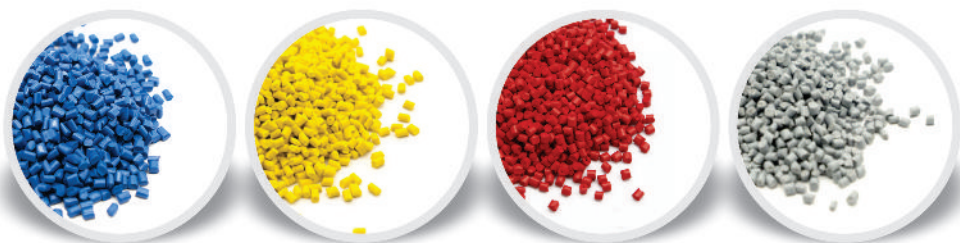

We are obliged to introduce ourselves as global exporter, sourcing material from various countries including Korea, Japan, Taiwan, Singapore, Malaysia, middle-east countries as well as far-east countries.

NM GLOBAL FZ LLC is recognized as the key exporter of prime, near prime, off-grade and reprocessed plastic materials like PVC, PP, HDPE, LDPE, ABS, PC, PS etc. of numerous grades.

All the Reprocessed materials are post industrial and attested by professional to assure the best quality to our valued customers. These materials are further subjected to refining and reprocessing as per the buyer's requirements and specifications.

We boast our expertise in acquiring the finest materials in bulky volume which is a rare commodity in market.

We value our customer's satisfaction the most, and therefore present them the optimum price and assure them timely supply.
